

01/2019

The PSA Group and Opel collaboration

10.3.2019, Tolmin - Opel Combo, Grandland X and Crossland X have been winning awards (Best Buy Car in Europe in 2019, International Van of the Year, Euro NCAP »Best in Class 2017«,...) and booming in sales since their launch on the market.

All the above-mentioned models are also offered with **1.5 BlueHDi** diesel engine developed by PSA Group which makes them compliant with the new Euro 6D-TEMP standard that comes into effect in September 2019. Hidria, trusted PSA Group's partner, is an exclusive supplier for 1.5-litre diesel engine with its OE glow plug H5 166.

This part is already available for HIDRIA Aftermarket range with part number H5 254.

PSA/Opel glow plug code: 9809088180
